5.2 Recruitment and Selection

Any selection exercises including recruitment, promotion and redundancy selection, amongst others, will be carried out with regard to objective criteria which specifically avoid any issues of discrimination. Similarly, where possible, Bliss Home Care Ltd will ensure that such exercises are carried out by more than one person.

Any vacancies will be advertised to as wide and diverse an audience as possible. Such advertisements will not discourage any individual or group from applying. Job applicants will not be asked questions which might suggest an intention to discriminate on grounds of a protected characteristic. For example, applicants should not be asked whether they are pregnant or planning to have children.

Job applicants will not be asked about health or disability before a job offer is made, except in the very limited circumstances allowed by law, for example, to check that the applicant could perform an intrinsic part of the job (taking account of any reasonable adjustments), or to see if any adjustments might be needed at interview because of a disability. Where necessary, job offers can be made conditional on a satisfactory medical check. Health or disability questions may be included in equal opportunities monitoring forms, which must not be used for selection or decision-making purposes.

5.3 Disabilities

If a member of staff is disabled or becomes disabled, Bliss Home Care Ltd encourages them to tell their manager about their condition so that Bliss Home Care Ltd can consider what reasonable adjustments or support may be appropriate.

5.4 Part-time and Fixed-term Work

Part-time and fixed-term employees should be treated the same as comparable full-time or permanent employees and enjoy no less favourable terms and conditions (on a pro-rata basis where appropriate), unless different treatment is justified.

5.5 Disciplinary Procedure

Any member of staff found to be in breach of this policy will be subject to disciplinary action. Serious cases of deliberate discrimination may amount to gross misconduct, resulting in dismissal.

5.6 Grievance Procedure

If a member of staff believes that they have suffered discrimination, then they should raise these issues through the Grievances Policy and/or Anti-Bullying and Harassment Policies of Bliss Home Care Ltd. A member of staff will not be bullied or victimised for raising issues under this policy. However, if a complaint is made in bad faith and/or is knowingly false, the member of staff may be subject to the Discipline Policy and Procedure of Bliss Home Care Ltd.

5.7 All staff should understand their responsibility to show consideration to and to not discriminate against disabled colleagues, and this will be reinforced in supervision. Employees are informed and reminded of their responsibility to notify Vanessa Savino of any disability that might not be obvious, in order to enable Bliss Home Care Ltd to take necessary steps to enable the employee's rights.
